## **1 Welcome! Willkommen! Bienvenue !**

### **A very warm welcome to the IAML Congress 2025!**

For the third time in IAML's history, following the conferences in 1967 and 1979, we are privileged to meet in the most beautiful and musical city of Salzburg. I am sure you will share my excitement at this wonderful opportunity to learn more about the city's rich heritage and to explore its many wonders. Our heartfelt thanks are due to the IAML-Austria branch for the kind invitation and the Local Organising Committee for their tireless work in preparing every logistical detail of this mammoth event. The Congress week is always a highlight of the year and there are many things that make it special. As ever, it offers a valuable opportunity to keep abreast of developments in our profession, with a rich and stimulating programme covering a myriad of topics and presentations from colleagues representing 31 countries worldwide. It also allows us to advance the work of our Association, with meetings of the various IAML committees, sections and study groups, as well as the General Assembly. More than anything, we value the opportunity to meet in a spirit of collegiality and collaboration, to make new contacts and renew old friendships – a dimension that, it seems to me, we need now more than ever in an increasingly fragmented world. To help us in that endeavour, our hosts have arranged a truly delectable series of social events, tours and concerts. Whether this is your first IAML Congress or the latest of many, I hope you will be inspired by many new discoveries and stimulating discussions, and I wish you a most productive and enjoyable stay in Salzburg!

### **Herzlich willkommen zum IAML-Kongress 2025!**

Nach den Konferenzen 1967 und 1979 haben wir zum dritten Mal in der Geschichte der IAML die Ehre, uns in der schönsten und musikalischsten Stadt Salzburg zu treffen. Ich bin sicher, Sie teilen meine Begeisterung über diese wunderbare Gelegenheit, mehr über das reiche Erbe der Stadt zu erfahren und ihre vielen Wunder zu erkunden. Unser herzlicher Dank gilt der IAML-Sektion Österreich für die freundliche Einladung und dem lokalen Organisationskomitee für ihre unermüdliche Arbeit bei der Vorbereitung jedes logistischen Details dieser Mammutveranstaltung.

Die Kongresswoche ist jedes Jahr ein Höhepunkt des Jahres und hat viele Besonderheiten. Wie immer bietet sie eine wertvolle Gelegenheit, sich über die Entwicklungen in unserem Beruf auf dem Laufenden zu halten, mit einem reichhaltigen und anregenden Programm, das eine Vielzahl von Themen und Vorträgen von Kolleginnen und Kollegen aus 31 Ländern weltweit abdeckt. Sie ermöglicht es uns auch, die Arbeit unseres Verbandes durch Treffen der verschiedenen IAML-Komitees, Sektionen und Arbeitsgruppen sowie der Generalversammlung voranzutreiben. Wir schätzen vor allem die Möglichkeit, uns in kollegialer und kooperativer Atmosphäre zu treffen, neue Kontakte zu knüpfen und alte Freundschaften zu erneuern – eine Dimension, die wir in einer zunehmend fragmentierten Welt meiner Meinung nach mehr denn je brauchen. Um uns dabei zu unterstützen, haben unsere Gastgeber eine Reihe von geselligen Veranstaltungen, Führungen und Konzerten organisiert. Ob dies Ihr erster IAML-Kongress ist oder der letzte von vielen – ich hoffe, Sie werden von vielen neuen Entdeckungen und anregenden Diskussionen inspiriert sein und wünsche Ihnen einen produktiven und angenehmen Aufenthalt in Salzburg!

## Bienvenue au Congrès 2025 de l'AIBM !

Après les congrès de 1967 et 1979, pour la troisième fois dans l'histoire de l'AIBM, nous avons l'honneur de nous réunir dans la plus belle et la plus musicale des villes, soit à Salzbourg. Je suis sûr que vous partagez mon enthousiasme pour cette merveilleuse occasion de découvrir le riche patrimoine de la ville et d'explorer ses nombreuses merveilles. Nous remercions sincèrement la section AIBM-Autriche pour son aimable invitation et le comité d'organisation local pour son travail acharné dans la préparation de cet événement majeur.

La semaine du Congrès est le moment fort de l'année et présente de nombreuses particularités. Comme toujours, elle offre une occasion précieuse de se tenir au courant des évolutions de notre profession, avec un programme riche et stimulant contenant une grande variété de sujets et des présentations de collègues venus de 31 pays du monde entier.

Cela nous permet également de faire progresser le travail de notre association grâce aux réunions des différents comités, sections et groupes de travail de l'AIBM, ainsi qu'à l'Assemblée générale. Nous apprécions particulièrement l'opportunité de nous réunir dans une atmosphère collégiale et collaborative, de nouer de nouveaux contacts et de renouer d'anciennes amitiés – une dimension dont nous avons à mon avis plus que jamais besoin, dans un monde de plus en plus fragmenté. Pour nous soutenir dans cette démarche, nos hôtes ont organisé une série d'événements sociaux, des visites et des concerts. Que ce soit votre premier congrès de l'AIBM ou le dernier d'une longue série, j'espère que vous serez inspirés par des nombreuses découvertes et des discussions stimulantes, et je vous souhaite un séjour productif et agréable à Salzbourg !

## A Warm Welcome to the IAML Congress 2025 in Salzburg!

During a coffee break at the IAML Congress 2019 in Krakow, the Austrian participants were approached with the request to host a congress in Salzburg. Salzburg, as a UNESCO World Heritage Site and the birthplace of Wolfgang Amadeus Mozart, offers the ideal setting for this international exchange of ideas and expertise. After a few weeks of discussions, IAML Austria decided to apply for the 2022 congress in Salzburg. Due to the Covid-19 pandemic and the resulting postponements, we are meeting here three years later than planned. It is a great pleasure for us to finally welcome you to this important event, which offers the opportunity to discuss current topics, challenges and developments in the field of music libraries, archives and documentation centers from all over the world and to gain new insights. The widespread anticipation and eager expectations of coming together in a place like Salzburg made the preparations particularly challenging.

As always, the Forum of Sections has put together a diverse programme with exciting lectures, working meetings and discussion panels that not only focus on the scientific and cultural significance of our institutions, but also look at future developments and innovations in our field.

The accompanying programme, consisting of three concerts, an extensive excursion programme on Wednesday afternoon, a farewell dinner above the rooftops of Salzburg's Old Town and two post-congress tours to the beautiful surroundings of Salzburg, offers a wonderful opportunity to gain impressions of the city and its scenery.

We wish you an unforgettable week with stimulating discussions, enriching experiences, many new impulses for professional activities and perhaps also the beginning and deepening of friendships!

For the Organizing Committee of IAML 2025:

Barbara Schwarz-Raminger (IAML Austria, President)

### **Ein herzliches Willkommen zum IAML-Kongress 2025 in Salzburg!**

Während einer Kaffeepause im Rahmen des IAML-Kongresses 2019 in Krakau wurde der Wunsch an die österreichischen Teilnehmer\*innen herangetragen, doch wieder einmal einen Kongress in Salzburg zu veranstalten. Salzburg, als UNESCO-Weltkulturerbe und Geburtsort von Wolfgang Amadeus Mozart, bietet den idealen Rahmen für diesen internationalen Austausch. Nach reiflicher Überlegung wurde von der IAML Austria der Entschluss gefasst, sich mit Salzburg für den Kongress 2022 zu bewerben. Durch die Covid-Pandemie und die damit verbundenen Verschiebungen kommen wir mit drei Jahren Verspätung hier zusammen. Es ist uns eine große Freude, Sie nun endlich zu dieser Veranstaltung begrüßen zu dürfen, in der aktuelle Themen, Herausforderungen und Entwicklungen diskutiert und neue Einblicke gewonnen werden sollen. Die allgemeine Vorfreude auf Salzburg machte die Vorbereitungen besonders herausfordernd: Wie immer gibt es ein abwechslungsreiches Programm mit spannenden Vorträgen, Arbeitstreffen und Diskussionsrunden, die nicht nur die wissenschaftliche und kulturelle Bedeutung unserer Institutionen in den Mittelpunkt stellen, sondern auch einen Blick auf zukünftige Entwicklungen und Innovationen in unserer Branche werfen sollen. Das Rahmenprogramm, bestehend aus drei Konzerten, einem umfangreichen Ausflugsprogramm am Mittwochnachmittag, einem Farewell-Dinner über den Dächern der Salzburger Altstadt und zwei Post-Kongress-Touren in die wunderschöne Bergwelt von Salzburg bietet mannigfaltige Gelegenheiten, Eindrücke der Stadt und ihrer Umgebung zu gewinnen. Wir wünschen allen eine unvergessliche Woche mit anregenden Gesprächen, bereichernden Erfahrungen, vielen neuen Impulsen für die berufliche Tätigkeit und vielleicht auch die Entstehung und Vertiefung von persönlichen Freundschaften!

## Bienvenue au congrès de l'AIBM 2025 à Salzbourg !

C'est lors d'une pause-café dans le cadre du congrès IAML 2019 à Cracovie que le souhait d'organiser un congrès à Salzbourg a été exprimé. Ville classée au patrimoine mondial de l'UNESCO et lieu de naissance de Wolfgang Amadeus Mozart, Salzbourg offre le cadre idéal pour cet échange international d'idées et d'expertise.

La décision de L'AIBM Autriche de présenter la candidature de Salzbourg pour le congrès de 2022 fut le fruit de plusieurs semaines de concertations. Les contraintes de la pandémie de COVID ayant obligé le report de tels événements, c'est trois ans après la date initialement prévue que nous nous réunissons aujourd'hui. C'est effectivement un grand plaisir de pouvoir enfin vous accueillir pour cet événement important, qui offre la possibilité de discuter des thèmes actuels, des défis et des développements dans le domaine des bibliothèques musicales, des archives et des centres de documentation du monde entier et d'acquérir de nouvelles perspectives.

L'attente et l'impatience quant à la tenue de cet événement dans un lieu tel que Salzbourg ont rendu les préparatifs particulièrement stimulants. Comme toujours, le Forum of Sections a élaboré un programme varié de conférences, réunions de travail et tables rondes passionnantes, qui à la fois, mettent l'accent sur l'importance scientifique et culturelle de nos institutions et examinent les futurs développements et innovations dans notre secteur. Le programme culturel, composé de trois concerts, d'un vaste programme d'excursions le mercredi après-midi, d'un dîner de départ sur les toits de la vieille ville de Salzbourg et de deux visites post-congrès dans les magnifiques environs de Salzbourg, offre une merveilleuse occasion de se faire une première impression de la ville et de ses environs ou de redécouvrir ses charmes.

Nous souhaitons à toutes et à tous une semaine inoubliable, riche en discussions intéressantes et expériences enrichissantes tout en favorisant les échanges professionnels et peut-être aussi la naissance et l'approfondissement d'amitiés personnelles !

Pour le comité d'organisation de l'IAML 2025 :

## Masterpieces of Italian Opera

New!

The majority of today's operatic repertoire is Italian. However many of its most popular or significant works are not available in a critical edition. Bärenreiter's series, **Masterpieces of Italian Opera**, emerged from the demand for such editions, for both performance and research purposes. Conceived in collaboration with the late Philip Gossett and edited by Andreas Giger and Francesco Izzo, **Masterpieces of Italian Opera** commences with a set of four operas; the series is planned to be continued.

Aware of the rich performance tradition, **Masterpieces of Italian opera** also allows for the performance of alternative, historically coherent versions via materials provided in the appendixes.

These include, for instance, the shorter original version of Ruggero Leoncavallo's „Pagliacci“; the original version of Pietro Mascagni's „Cavalleria rusticana“ with restored cuts and occasional higher keys; an alternate finale of Gaetano Donizetti's „Caterina Cornaro“; and a later version of Domenico Cimarosa's „Il matrimonio segreto“, with a different structure and additional arias. A wealth of materials is waiting to be explored.

## 5 Social and Cultural Programme

### Concerts

**Monday, 7. July 2025, Mozarteum University, Solitär**

**“Traduit du silence” – New Compositions for Piano and Electronics, Inspired by Mozart**

**Music by Hristina Šušak (\*1996), Hideki Kozakura (\*1970), Uzong Choe (\*1968), Oscar Jockel (\*1995), Henry Fourès (\*1948) (Electronics: Jan Fredrich)**

A unique collection of works for piano and electronics, inspired by Mozart’s legacy, is currently in development. The project originates from an idea by Andreas Groethuysen to explore Mozart’s music (as well as texts and other facets of his life) as a basis for contemporary musical engagement. Eung-Gu Kim has taken on the organization and supervision of this project. The collection includes works specifically composed for piano with electronic components. Composers from various countries and generations, offering a broad creative perspective, are contributing to the project through commissions from the Department of Keyboard Instruments at the Mozarteum University. Innovation, creativity, and the fusion of tradition and modernity are at the heart of this project by the Department of Keyboard Instruments at the Mozarteum University.

**Michael Haydn and Johann Ernst Eberlin – Sacred Masterpieces from the Archbishop’s Court in Salzburg**

**Soloists, choir and orchestra of Stiftsmusik St. Peter  
Peter Peinstingl (Conductor)**

Johann Michael Haydn (1737–1806) was Joseph Haydn’s younger brother. Called to Salzburg by Archbishop Sigismund Christoph Count Schrattenbach, he was appointed court composer (court musician and concertmaster) in Salzburg in 1763. He composed the Requiem in C minor MH 155 in December 1771 for the funeral celebrations of his employer, Archbishop Sigismund Schrattenbach, who was a very popular bishop and great patron of the arts.

The “Missa pro Defuncto Archiepiscopo Sigismundo” represents Haydn’s first major church music composition for the Salzburg court and was probably written under the impression of personal mourning. Haydn’s only child, Aloisia Josepha, died on January 27, 1771 before reaching the age of one. He was unable to overcome this loss for the rest of his life. The Schrattenbach Requiem leaves a

lasting impression on the 16-year-old Wolfgang Amadé Mozart – father and son Mozart took part in the first performance. Haydn's example cannot be ignored in Mozart's unfinished Requiem K. 626, although the structure of Michael Haydn's Mass for the Dead is even more in keeping with the Salzburg tradition.

**FRAUENSTIMMEN: "Meine Töne still und heiter..." – Songs by Female Composers of the 19th & 20th Centuries**

Stephan Loges (Bariton), Antonio Oyarzabal (Klavier) present songs by Sophia Westenholz (1759–1838), Josephine Lang (1815–1880), Johanna Kinkel (1810–1858), Elisabeth von Herzogenberg (1874–1892), Liza Lehmann (1862–1918), Maude V. White (1855–1937), Rebecca Clarke (1886–1979), Freda Swain (1902–1985), Ivy Mason Whipp (\*1920) u. a.

The songs of these woman composers, whose work has been largely forgotten, span the period from the Romantic era to the 21st century and are characterized by their poetic expressiveness and subtle melodies. By careful selection, the internationally acclaimed baritone Stephan Loges and the renowned Spanish pianist Antonio Oyarzabal show the versatility and beauty of these songs, which have been rediscovered just recently. Their interpretation offers a unique access to this rich, emotionally charged musical tradition.
